The Harlem Local Vendor Partner Program (HLVP) is a six month program designed to help Harlem businesses succeed by supporting local vendors producing items which are “Harlem Made”. Through manufacturing space, marketing, networking, business education, financing assistance, and technical assistance, program partners provide opportunities for local vendors to scale up in order to compete for contractual relationships with purchasing partners.

All vendors are welcome to apply regardless of business size or experience. However, participation in the program has a significant time commitment. Accepted vendors will learn from technical assistance partners and their peers. They will be required to attend five scheduled classes at Columbia Business School, complete at least five hours of one to one small business counseling and sell their products at three HLVP marketplace vendor events within six months to ensure that they are ready to “pitch” to the purchasing partners/buyers at the conclusion of the program.

APPLICATION:

The application processing fee to submit vendor information for the Harlem Local Vendor Partner Program (HLVP) is \$45 per application. Please complete and return this form to Harlem Park to Park with your application fee by 11:59 pm on Sunday, April 30, 2017. Application fees must be paid in the form of certified check, money order or credit card payment via Pay Pal or Square. (Please email info@harlemparktopark.org if you would like to receive a credit card payment request via Pay Pal or credit authorization form for Square processing.)

Submission of an application does not guarantee acceptance. The program application process is competitive. Vendor candidates will be selected for participation in the HLVP six (6) month business development program. **Completion of the HLVP business development program is mandatory for vendors to be eligible for Buyer Appointments at HLVP vendor fairs.** If accepted to the HLVP program, vendors agree to pay the discounted vendor booth rate of \$150 per event for three (3) large scale vendor fairs to be held in June, October and December. (See HLVP Overview for full Calendar of Events.)

Applications must include a photo(s) of your vendor product(s) and packaging and may be submitted by Email, Fax or Mail options below.
